From

The Director of Public Health
in Mysore, Bangalore

To

The Secretary to Government,
Development Department, Bangalore

Sir,

Staff sanctioned for the preparation of the underground drainage scheme for Mysore City

I have the honour to state that Government in their order No L 6588-90/M1 37-39-25 dated 26 1 1940 sanctioned the appointment of two Suboverseers and two temporary maistries for six months for the above work Two Suboverseers were posted by the Chief Engineer and they reported themselves for duty on 25 4 1940 and 8.5 1940 respectively But the two maistries sanctioned by Government were not employed

The scheme is nearing completion and the same is under check in the Sanitary Engineer's office The services of the staff viz , two Suboverseers are necessary till the end of this month in order to complete the project

As per the Government Order of 26 1 1940 a provision of Rs 860/- has been made for establishment, but on account of the non-entertainment of the maistries the actual expenditure that would be incurred for salary works out to Rs 500/- plus travelling allowance claims, so that the total expenditure will be within the estimated amount of Rs 860/- even if the services of the two Suboverseers are extended till the end of this month

I therefore request you to be so good as to obtain and convey sanction of Government to the extension of the term of the two

Suboverseers till the end of December 1940

A copy of Sanitary Engineer's letter No 823 dated 7/8-12-1940 on the subject is enclosed for information

I have the honour to be,

Sir,

Your most obedient servant,

R G Canhamay

Director of Public Health

Letter No 823 dated 7/9th December 1940 from the Sanitary Engineer to the Director of Public Health in Mysore, Bangalore

Regarding the staff sanctioned for the preparation of the underground drainage scheme for Mysore City

Adverting to Government Order No L 6588-90/M1 37-39-25 dated 26th January 1940 sanctioning the appointment of two Suboverseers and two temporary maistries, I have the honor to state that two Suboverseers were posted to this office by the Chief Engineer of Mysore, and they reported themselves for duty on 25th April 1940 and 8th May 1940 respectively The scheme is nearing completion and the same is under check in this office But the period for which the staff was sanctioned is six months, so that this period has expired and the staff have to be reverted to the Public Works Department It will be necessary to keep the men here till the end of this month in order to complete the project, and according to the sanction conveyed in the above Government Order dated 26th January 1940, the total amount required for the establishment would have been Rs 860/- but since only two Suboverseers on a salary of Rs 35/- + Rs 5/- C A each were employed, the actual expenditure incurred on their salary till the end of this month work's out to Rs 500 + T A claims, so that the outlay will be within the estimated amount

I therefore request you to kindly address Government and communicate sanction for theextension of the appointment till the end of this month to enable the salaries of the subordinates being claimed from the President, City Improvement Trust Board, Mysore

Subject - Staff sanctioned for the preparation of the underground drainage scheme for Mysore City

Sir,

In continuation of this office letter No C 420-19 dated 27th December 1940 requesting for the extension of the services of the two suboverseers posted for the above work till end of December 1940, I have the honour to state that the Sanitary Engineer reports that by a clerical mistake the Conveyance Allowance of the suboverseers has been noted as Rs 5/- per mensum instead of Rs 7-8-0 and the cost of the above staff to end of December 1940 works out to Rs 595 or Rs 600/- plus Travelling Allowance and not Rs 500/- as already intimated

I therefore request that the expenditure noted out in this office letter may kindly be arranged to be modified

Sir,

With reference to your No L 5352 dated 16th January 1942 in the matter of extending the services of the two Suboverseers entertained for the preparation of the underground drainage scheme in certain Mohallas of the City, I have the honour to state that the Superintendent, Vanivilas Water Works, Mysore, who was addressed in this office No 1673 dated 10th February 1941 regarding the relief of the two subordinates has not yet sent up his report I may add however that the two Suboverseers were paid their salaries to end of December 1940 as recommended by the Sanitary Engineer, in his No 1925 dated 11th December 1940

Under the circumstances, I request you kindly to obtain - orders of Government in the matter of treating their services as having been extended to end of December 1940

I have the honour to be,
Sir,
Your most obedient servant,

Chairman
